

## Course about Managing change will be transmitted by RENATA

Written by Ixchel Pérez

---

### **Managing change through innovation is the focus of a workshop that is taking place Grancolombiano Institution Polytechnic University and will be broadcast by RENATA.**

Colombian academic community is invited to participate in the course "Leadership in Change Management through Innovation", organized by the Institution Grancolombiano Polytechnic University, in collaboration with the Ministry of National Education and Business Alliance State University UEE.

The course is conducted in different modules in the Auditorio Jaime Michelsen Uribe, from 1 to December 13 and is aimed at people interested in acquiring knowledge in the field of research, innovation and technology transfer. The National Advanced Network of Colombia (RENATA) allows transmission via the Internet and video conferencing, for those unable to attend in person, from 10 to 13 December.

The workshop aims to strengthen the capacities of each of its members in their respective area of work, therefore, each module focuses on a different type of professional. 1 to 4 December, is developing the stage of "Innovation Agents", especially for staff with skills to identify opportunities for innovation in the enterprise and link them with research groups at universities.

From 6 to 9 December, the course will focus on Technology Transfer Managers: Staff with responsibility for implementing the policy of innovation and setting the strategies, as well as Researchers: Personnel with skills to develop opportunities for innovation through research.
